

Hollowick

Liquid Candles ☆☆☆☆

### Benefits of Liquid Candles

Cleaner and more convenient than traditional wax candles, this option delivers the most reliable advertised burn times while remaining non-staining, smokeless, and odorless. With operating costs of just pennies per hour, it's an efficient and hassle-free lighting solution.

## Proper Use of Liquid Candles

In order to illuminate the colors and beauty of a lamp, select a liquid candle that sits low within the lamp and does not touch the sides.

### Flameless Tealight That Fits Any Size Hollowick Lamp

Nexis® LED Candle System by Hollowick is the most advanced rechargeable candle system available today.

Designed with meticulous attention to function, performance, and ergonomics, this groundbreaking commercial lighting solution stands apart from the rest. Features such as an easy-to-grip design, a realistic flexible flame tip, a beveled top for enhanced illumination, selectable steady or flickering light modes, and IP44 water-resistance certification make Nexis® a trusted choice for foodservice operators. Paired with a wireless, magnetic charging tray that holds up to 40 candles and delivers an average 26-hour runtime, the Nexis® LED Candle System represents the pinnacle of flameless candle technology.

## Rechargeable LED Lighting ☆☆☆☆

### Platinum+

#### Flameless Light With Natural Flicker

Available in both candlelight and amber LED color, the Platinum+ Flameless Series leads the market in Nickel Metal Hydride (NiMH) commercial rechargeable systems. The subtle flicker light will provide 18 hours of candlelight from a 10-hour charge, and a linking pin charging system allows operators to connect up to 4 power trays together. Certified by the Green Restaurant Association, Platinum+ is environmentally friendly and a great alternative to live flame.

Platinum+ series charging trays are designed to be wall-mounted, preserving valuable counter space. Up to four trays may be linked, allowing up to 48 candles to be charged per power supply.

Hollowick

Battery Powered LED Lighting ☆☆☆☆

### Commercial Grade Performance

Set the mood with battery powered tealights & pillar candles from Hollowick. With an elegant flame design and amber flame color, these candles feature LED lighting and offer commercial grade performance and durability. The tealights last 80+ hours and are conveniently packed in retail-ready packages of six. While the pillar candles are made of real, unscented wax to provide the look of a burning candle without the melted wax mess. Each pillar will last for 600+ hours on two alkaline C batteries, and operates off a remote control that provides a high light setting and the ability to set a default timer to run automatically for 6, 8, or 10 hours at a time.
